Survey Results

Topics of Interest – most to least interested – average rating found for each topic:	Topics to bring to future PD:
6.7 – Federal Compliance	• Assessment resources • Researched based intervention programs **Topics schools would like to present/share:** • McGary – PBIS **Other types of data IDOE can collect, provide, share:** • Sustainability models from other states • Sample of school "x" data/more info for data dashboard • History of other cohort data
6.6 – Collaboration Time	
6.0 – Educator Evaluation	
6.0 – PBIS	
5.7 – PLCs	
5.4 – Community Partnerships	
4.8 – Data	
4.5 – Increased Learning Time	
3.5 – Parent Involvement	
3.3 – Sustainability	

Professional Development Opportunity
Home Visits

Meeting In the Middle: 8th National Parent Teacher Home Visit Project Gathering in St. Paul,MN Oct. 23-25

Have you been on a home visit? Have you wondered why so many teachers loooove them? Home visits change outcomes for students, teachers and communities! This national conference is the only place to get the latest on best practices, strategies, research, and testimony regarding the tough questions and glorious results of doing home visits. Workshops for and by grassroots practitioners, in a peer led, research driven, and action oriented environment. Register now at pthvp.org. Any questions, contact Andrea@pthvp.org or (916) 448-5290.
